- After much discussion about having Belleville be the highlight in the InBusiness Magazine this winter, a unanimous vote decided this be a spring time project. It would allow for more time to get advertising money that needs to be raised and spring time would better showcase the lake and bike trails. The magazine would feature a story on Belleville businesses and community. The magazine caters to Dane County and would include information on the lake, bike trail, and new clinic.

- UFO Day 2011will be chaired by Dave Ace this year and assisted by Faye as Brad F will be out of town. Brad F. will continue to organize the parade and Brad P. will continue to organize the craft fair, however both need volunteers for the actual event. The parade will be on **October 29th at 1:00 pm!** The UFO entry forms are updated and on the website.

- The Chamber will be selling 25 UFO day t-shirts the day of the parade. They will be selling for $15.

-The annual 50/50 raffle will take place this year at Schwoegler's on **Wednesday, November 23rd**. **Wild Heart** will be playing that evening and there will be a cover charge. Raffle tickets will be out by October 31st.

- Approval was made to promote the youth football Belleville- Albany Bobcats Wreath Fundraiser. Details can be found on the website.
