General Membership Meeting Minutes from January 24, 2012

Called to order: 7:10 p.m.

Present: Barb Baumgartner, Lena Funseth, Randy Nolden, Barb and Lester Palmer, Pat Palmer, Dalton Palmer, Wally Boley, Gary Ziegler, David Ace, John Manion and Dorothy Buetel.

Treasure Report adopted through motion to approve made by Pat Palmer and second by Janet Bohm.

Secretary Report in newsletter. Correction to add Bob Nolden to attendance; motion to approve by Janet Bohm; second by Wally Boley.

2012 Community Picnic location. Official decision not made yet. Plan on having Cherry Pie for entertainment on Friday night. Super Tuesday has approached us about playing on Saturday.

If Super Tuesday is hired, Scott Hare's band will play Sunday night. The same tents that were utilized last year have been reserved for 2012. Sprint distance triathlon may be debuted at the Picnic. Potential profit from the triathlon would be 25% of net proceeds. Sugar River Park location has additional expenses such as a generator. Triathlon would be run from Race Day Events.

Lake Restoration –dredging on W side of the lake is done. More dredging will likely be done in next couple of weeks. New footbridge will be in the same location as it was. Bridge will be made of steel trusses with timber base. Bridge will cost about $300,000. Big donor and business donations have been requested. Private residents will be getting requests soon. Goal is for fundraising to be done by the picnic.

Park restoration is on going and will possibly open by Spring. Plan to apply for grants in April. No idea when sporting events will be able to use Community Park again.

Efforts to light Sugar River Park are underway. John Manion requests that the Community Club to allow the donations be stored in our accounts. They would like to use our name in fundraising efforts. Cost to light the park is estimated at $100,000-$135,000.

Lighting issue for men's softball was raised. Feedback was requested, however, members didn't have much in the way of comments.
